

# THE RESTORATION LAWYER

ADVOCATE FOR THE RESTORER

Claiming an infringement on its United States patent number 6,327,812 (commonly called "the 812 patent"), on June 22, 2011, Thermapure, Inc. filed suit against Yuma, Arizona based SCR-Sun Country Restoration, Inc. The federal court case is one in a series of actions initiated by Thermapure concerning its method of killing organisms and removal of toxins in enclosures.

According to its [website](#), SCR-Sun Country Restoration has been in business for more than 30 years, specializing in just disaster restoration for the past 7 years. It is a fully licensed general contractor.
