Preparation: Review the Instructions that accompany this form, and the form itself. Arrange an inspection of unsalvageable goods with the Customer or Customer's agent and informally resolve any issues about what should be disposed. Cushion the arrival of this form by telling the Customer/Agent you will be asking him/her to sign a Disposal Authorization. Fill out this form in its entirety before presenting to the Customer for signature. Be sure to check the box for "Customer" or "Agent" – don't let them do it!

"This authorizes us to dispose of the items listed here, and releases claims against us for the value of these items. Please review each item on the list and let me know if you have any questions. If the list is acceptable, please sign the bottom of the form."
