

## MOLD IN MY HOME

### INSTRUCTIONS FOR USE

(These Instructions are not to be given to customers.)

*DISCLAIMER: This product is for general information purposes only and is not a substitute for the advice of an attorney. Non-lawyers should seek the advice of a licensed attorney in all legal matters, including verification of the fitness of this material for your particular purpose. Edward H. **Application:** Although this was drafted by the State of California, it is in use in many different states as a user-friendly guide to the basics of mold contamination. There is no legal requirement to provide this form, but it is an accessory to our Refusal of Recommendations form. It is also a good accompaniment to the Mold Notice and Mold Release. Some contractors like to provide this to all customers who have significant mold in their buildings.
